RESIDENT TESTIMONY

My name is Tonya Carroll. I was born in Anniston, Alabama, but I have lived in Panama City my whole life. Growing up was fine, but then I found myself alone. I was a teenager the first time I used drugs and alcohol. Years of addiction led to loneliness and poverty, which eventually caused me to end up in jail and then prison.

While in Lifeline at the Bay County Jail, I heard about Humble House, where Rachel Duvall was teaching God's Word. Humble House has taught me about the unconditional love of God, the importance of forgiveness, and the value of a personal relationship with Jesus. I learned about the guidance provided by the Bible, the significance of community, and the responsibility to live a life that reflects Christian values, such as kindness, compassion, and service to others.

I refuse to be defined by my mistakes. God has taught me to depend on Him as my provider, to trust in His plan, and to develop greater gratitude. I've learned to cultivate a spirit of generosity and prioritize spiritual wealth over material possessions. Through waiting, God has shown me the importance of His presence, His plans, renewed trust, stillness, silence, and rest.

I love my Lord and Savior. I am His, and He is mine.
~Tonya C.

A MESSAGE FROM OUR FOUNDER & CEO

Happy Spring to each of you! As we celebrate this season of renewal, we rejoice in the fact that Christ is alive and working powerfully in the lives of the women we serve. We are profoundly grateful for His presence and the way He provides for us month after month, ensuring that our needs are met. We truly appreciate you and the vital role you play in this mission. Your support means the world to us.

As we approach the summer months, we acknowledge that donations often decline as many are away on vacation. We humbly ask for your prayers during this time, and if you feel moved to continue your support, perhaps even to give a little extra this April through July, it would help us greatly in assisting those who are unable to contribute during these months.

We have some wonderful news to share! We will be celebrating the graduation of two of our ladies from the program in April, and five more have successfully transitioned into our transitional housing. The need in our community is profound—more women are reaching out for help than we currently have space for, including those referred from recovery programs and local jails, as well as women working to reunite with their children. Our hearts are especially heavy for those referred from sex trafficking centers in Florida; we are grateful for the chance to support these brave women as they find hope and healing.

With God's guidance and the dedication of our compassionate Case Managers, Crystal Cook and Kristy Strickland, we are committed to providing a nurturing environment that offers love, support, and the opportunity for a fresh start free from struggles.

We also want to thank everyone who attended our

recent brunch event at 30A—it was heartwarming to see such a great turnout! Please stay tuned for more details about our upcoming summer event and our annual Golf Tournament on Friday, September 12th. Additionally, mark your calendars for our annual Poinsettias and Pearls event on Tuesday, December 2nd!

We look forward to seeing your smiling faces soon and wish you abundant blessings. Thank you for being a part of our community. Your kindness is truly appreciated

~RACHEL DUVALL, FOUNDER | CEO
